MENTORSHIP PROGRAM

Communities are intended to have a number of individuals who will likely be at different career stages in order to have a wide range of knowledge and expertise within each group. In this way, learning/mentoring is not a top-down situation but rather a 360-degree experience, where each member can contribute and teach in some form or fashion.

2017 COMMUNITIES

* - Community Leader

1	2	3	4	5
Amy Combs	Neha Diggikar	Stephanie Doland	Jacob Calhoun	Samin Bazargan
