

## 2020 APATX Legislative & Advocacy Summit

The APA-Texas Chapter will be hosting its first ever Legislative and Advocacy Summit on March 30-31, 2020 in Austin, Texas. This event is planned for the 5th Monday and Tuesday of the month to prevent conflicts with regularly scheduled Commission and Council meetings. We need your help to plan this much needed event for our Chapter and want to know if you are interested in attending. Below is a short summary of the two days:

**Day 1 - March 30** will be a full-day of speakers, workshops, and panels focusing on the state legislature, planning advocacy, and game-planning in preparation of the 87th Texas Legislature in 2021. An evening reception will be part of this day featuring the 2020 APATX Great Places in Texas.

**Day 2 - March 31** will be a full-day of meetings at the State Capitol with your individual legislative staff (both House and Senate representative). Meetings will be scheduled by APATX and typically last between 15-30 minutes each. Availability and time depends on the legislative staff, so you would need to be available from 8am to 5pm. Exact meeting times will be provided two weeks in advance. Training for these meetings will take place on March 30.

**Take this short survey by January 14th to tell us if you are interested in attending so we can identify appropriate venues & hotels:**
