

Southwest Section Quarterly Newsletter

American Planning Association
Texas Chapter | Southwest Section
Spring 2020

Message from the Director

The APA TX Southwest Section is continuing to work hard to find ways to serve our members during the COVID pandemic. We hope that you have been able to participate in our recent online Lunch & Learns and have found them beneficial to your work.

The board is continuing to plan the APA TX Southwest Section mini-conference and has decided to make the conference completely virtual. The conference will now take place during the week of August 3rd - 7th and will consist of one session a day during the lunchtime hour. More information and registration will be available soon.

Patrick Kennedy, founding partner in the Dallas-based urban design firm, Space Between Design Studio, is scheduled to be the keynote speaker. Patrick is also on the board of directors for the Dallas Area Rapid Transit (DART) system and former president of the North Texas Chapter of the Congress for the New Urbanism (CNU-NTX). APA Texas Chapter President, Chance Sparks, will also be in participating.

Please be on the lookout for more information on events and thank you for your membership.
Sincerely,

John R. Osten, AICP

Thank you to all who participated in our AIA-partnered February Lunch & Learn. We look forward to your participation at future events.
